

■ハガキ（表）の書き方

The diagram illustrates the correct writing format for a Japanese postcard (Hagaki). It features a large rectangular frame representing the postcard. At the top center, the text "郵便はがき" (Postcard) is written in pink. Below this text is a row of seven pink squares, representing the postal code. To the left of these squares is a box labeled "切手" (Postage stamp). Below the postal code squares is a row of seven pink squares, representing the recipient's address. At the bottom center, there is a row of seven dashed pink squares, representing the return address. Four callout boxes provide additional instructions: "宛名は中央に大きく書く。" (Write the recipient's name in the center in large characters.), "住所は都道府県から正確に書く。" (Write the address correctly from the prefecture/city/town/village.), "自分の住所と名前は切手の下にそろえて書く。" (Write your own address and name in a row below the postage stamp.), and "番地などの数字は漢数字で書く。" (Write numbers such as the house number in Chinese numerals.).
